Henry Schienebeck was a self-employed logger/trucker for 32 years prior to being named Executive Director of the Great Lakes Timber Professionals Association (GLTPA) and the Forest Industry Safety and Training Alliance (FISTA) in 2008. GLTPA is a non-profit organization representing over 1000 forest industry professionals in Michigan and Wisconsin where he leads the organization in its mission of “Enhancing a Multiple Use Forest for Future Generations”. FISTA provides Sustainable Forestry Initiative (SFI) training for loggers as well as contract chainsaw safety training throughout the United States.
